NO MORE DISMAY. NO MORE DELAY

We decree that every force of delay is broken off of the Ekklesia. We say "No more Dismay. No more Delay."

We decree that we are moving from Deceleration to Supernaturally-charged acceleration.

We decree that the appointed time is now. We decree that what has been stalled and delayed releases now. We decree that what has been held back by the enemy breaks through and is released now. No delay tactic of the enemy shall stand against the purposes and plans of the Most High God. We decree that the fields are ripe unto harvest and we shall not miss our appointed time. No more dismay. No more delay.

We decree that demoralization, dismay, and discouragement are broken off of the Body of Christ.

We decree that every weight of heaviness and spiritual fatigue is lifted. We decree the fresh wind and fire of the Holy Spirit is being released now.

We decree that the yoke is destroyed and the Ekklesia is being supernaturally endued with power from on high. We decree that the Ekklesia stands again with clarity, boldness, and unwavering resolve as the confident Church of the King.

We decree that hope deferred is uprooted and shall no longer make the heart sick. We decree that faith is reawakened and hopeful expectation is restored. We decree that hope lives again within the Ekklesia, strong and unshaken.

We decree that the delay of harvest is broken. We decree that every hindrance and every obstacle that blocks the ingathering is removed and dismantled. The fields are released and unencumbered. We decree that strength, courage and provision are the laborers' portion. We decree that the harvest comes forth in fullness, without obstruction or interference.

We decree that promises accelerate to fulfillment now and that every word spoken by Yahweh and His Christ manifests now. We decree that the season of waiting gives way to the season of fulfillment.

We decree that a finishing anointing rests upon the Ekklesia. We decree that strength to endure, grace to complete, and power to finish are released to us now. We decree that we will finish well and our assignments shall be completed. We decree that the purposes of the Most High God shall be fully carried out in this generation.

We decree divine alignment with heaven. Hearts align. Words align. Faith aligns. The Ekklesia moves in present faith, present hope, and present expectation. We decree that what heaven has declared is established in the earth.

We decree that angel armies are released to assist the heirs of salvation. We decree that they move to enforce the will of God, to dismantle resistance, and to establish divine order. We decree that angel armies minister strength, protection, and execution of heaven's purposes and plans in the nation and nations of the earth.

We decree that a greater weight of glory rests upon the Ekklesia. We decree that the tangible and verifiable manifested presence of the Most High God continually increases in power. We decree that His glory breaks every remaining yoke, infuses boldness, and establishes the Ekklesia in greater supernatural authority.

We decree that the season has changed. The former delay has ended. The new era of glory, acceleration, and fulfillment has begun. The Bride will finish well, and the purposes of the King will be accomplished.

We decree that we have entered a *kairos* moment of divine acceleration. This is not ordinary time, but appointed time set by the hand of God. The Lord has intervened in the timeline, and what once moved slowly now moves swiftly under His authority.

We decree that in this *kairos* moment, delay is overturned and replaced with acceleration. What required years now comes forth in days. What was hindered is now propelled forward. Divine momentum is released upon the purposes of God.

We decree that the Ekklesia discerns the *kairos* moment and responds with faith, precision, and bold obedience. We will not hesitate, we will not shrink back, and we will not miss this appointed time. We move in-step with heaven.

We decree that promises accelerate into manifestation in this *kairos* window. Words spoken by the Lord are brought into fullness. The timing of heaven aligns with the obedience of the Church, and fulfillment is established.

We decree that supernatural acceleration rests upon assignments, callings, and mandates. Progress is no longer delayed. Completion comes quickly. The hand of the Lord advances His people into finished works.

We decree that this *kairos* moment is marked by increased glory, increased presence, and increased demonstration of the Spirit. The weight of His glory intensifies, bringing breakthrough, clarity, and undeniable evidence of His rule.

We decree that we align fully with this *kairos* moment of acceleration. Our faith is now, our expectation is now, and our movement is now. What heaven has declared for this time is received, activated, and established among us.

We decree that the Glory of the Most High God is being released in far greater measures than evey seen in the earth.

We decree that as the knowledge of the glory of God fills the earth, we will not miss it. We will not retreat. We will be glory containers for the end-time harvest. We decree that we will steward your glory well.

IT IS SO ORDERED ON EARTH AS IT IS IN HEAVEN.
